What is Nahj?

← Getting Started

Nahj is an educational app developed by PT. RYAM TECHNOLOGY SOLUTIONS to help children learn through structured lessons, interactive activities, and a clear progress-based journey.

Nahj combines engaging, child-friendly content with a safe and focused learning environment, designed to support early education at home.

Good to know
A Nahj subscription gives your child full access to all learning content in the app. You can get a subscription through our trusted sellers or redeem a code you already have.
